## MANAGEMENT DISCUSSION AND ANALYSIS:

#### 1. Industry Structure and Developments

The Company was incorporated on 22/09/1992. In 1999 the Company changed its name and thereafter started its business in IT. The Company had a humble beginning and is restructuring itself year by year to make a name in the IT industry. With its dedicated team of professionals the company is planning to grow strength by strength. Due to the recent setback in USA and global recession in IT industry, the activities of the company were slightly affected. However in this scenario company has still maintained its profitability.

However, after launch of the new project on hand on which the work is in progress the company will have its name reckoned with the industry.

#### 2. Opportunities, threats risk and concerns

The Company is progressively in contact with end users of its products the work on which is continue and with the launch of these products, the Company expects more cliental base in its activities.

The low economic growth worldwide may affect the activities of the company. However, with continuous technological advancement and measures taken for cost effectiveness for the company's product, the Company is expected to face the emerging challenges in a confident and optimistic manner.

#### 3. Segment-wise or product-wise performance.

The Company recognizes Hardware / software and Web Services as its only primary segment. The overall performance of the company is the segment wise performance of the company.

#### 4. Business Outlook.

As a forward looking statement it can be noted that the company appears to heading better all round performance during the coming years. Towards this, the company is working on various software packages.

#### 5. Internal Control System and their adequacy.

The Company has adequate internal control procedures commensurate with the size and nature of its business. The internal control system provides for policies, guidelines, authorization and procedures. The Audit Committee of the Board of Directors headed by an independent director periodically reviews the internal audit reports, significant risk area assessment and adequacy of internal controls for ensuring Checks and balances.

#### 6. Discussion on Financial Performance:

The financial results and performance for the year are elaborated in the Director's Report.

#### 7. Human resources:

Harmonious relations continued to prevail throughout the year. The focus is on maintaining a high level of motivation and on leadership development and the number of employees are maintained according to business development.

#### 8. Cautionary Statement:

This report contains estimates and expectations, which the company believes or may be considered to be Forward Looking Statements within the meaning of applicable laws and regulations. Actual results could differ or vary materially from those expressed or implied due to various factors.

#### AUDITOR'S CERTIFICATE ON CORPORATE GOVERNANCE

To

#### The Members of INDO-CITY INFOTECH LIMITED.

We have examined the compliance of conditions of Corporate Governance by Indo-City Infotech Limited, for the year ended 31st March, 2013 as stipulated in Cluase-49 of the Listing Agreements of the said Company with the stock exchange in India.

The compliance of conditions of Corporate Governance is the responsibility of the Company's Management. Our examination was Limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit for nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us:

- (i) We certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned listing agreements.
- (ii) We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the company.

#### INDEPENDENT AUDITOR'S REPORT

To,

The Members of Indo-City Infotech Limited,

#### Report on the Financial Statements

1. We have audited the attached Balance Sheet of Indo-City Infotech Limited as at 31st March, 2013, the Profit and Loss Account and the Cash Flow Statement for the year ended on that date, annexed thereto. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

#### Management's Responsibility for the Financial Statements

2. The Company's Management is responsible for the preparation of theses financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with Accounting Standards referred to subsection (3C) of section 211 of the Companies Act, 1956 of India (the "Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements whether due to fraud or error.

#### Auditors' Responsibility

- 3. Our responsibility is to express an opinion of theses financial statements based on our audit. We conducted our audit in accordance with Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.
- 4. An audit involves performing procedures to obtain audit evidence, about the amounts and disclosures in the financial statements. The Procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Management, as well as evaluating the overall presentation of the financial statements.
- 5. We believe that audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

- 6. In our opinion, and to the best of our information and according to the explanations given to us, the accompanying financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
  - (a) In the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2013,
  - (b) In the case of the Statement of Profit and Loss, of the Profit of the Company for the year ended on that date.
  - (c) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

#### Report on Other Legal and Regulatory Requirements:

- 7. As required by the Companies (Auditors Report) Order, 2003 and amendments by the "the Companies (Auditor's Report) (Amendment) Order, 2004', issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act (hereinafter referred to as the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matter specified in paragraphs 4 and 5 of the Order.
- 8. As required by Section 227 (3) of the Act, we report that:
  - We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - b) In our opinion, proper books of accounts as required by law have been kept by the Company as it appears from our examination of those books.
  - c) The said Balance Sheet, Profit & Loss Account and Cash Flow Statement dealt with by this report are in agreement with the books of accounts.
  - d) In our opinion and to the best of our information and according to the explanations given to us, the said Balance Sheet, Profit and Loss Account and Cash Flow Statement dealt with by this report comply with the Accounting Standards referred to in the sub-section (3C) of section 211 of the Act.
  - e) On the basis of written representations received from the directors as on 31<sup>st</sup> March, 2013 and taken on record by the Board, we report that none of the directors is disqualified as on 31<sup>st</sup> March, 2013 from being appointed as a director in terms of clause (g) of subsection (1) of section 274 of the Companies Act, 1956.

#### Annexure to Auditors Report

Annexure referred to in Paragraph 2 of the Auditors Report to the members of **Indo-City Infotech Limited** for the year ended 31<sup>st</sup> March 2013. As required by the Companies (Auditors Report) Order, 2003 and amendments thereto and according to the information and explanations given to us during the course of the audit and on the basis of such checks of the books and records as were considered appropriate we report that:

- (i) a) The Company has maintained proper records showing full particulars, including quantitative details and situations of fixed assets.
  - b) All the assets have been physically verified by the management in accordance with a phased programme of verification, which in our opinion is reasonable, considering the size of the company and the nature of business. The frequency of verification is reasonable and no material discrepancies have been noticed on such physical verification.
  - c) No major asset has been disposed off during the year.
- (ii) a) During the year the company has not conducted any trading business. The management has not conducted any physical verification of inventory as there is no stock of inventory.
  - b) The procedures of physical verification of inventory followed by the Company are reasonable and adequate in relation to the size of the company and the nature of its business.
  - c) The company is maintaining proper records of inventory and no material discrepancies were noticed on physical verification.
- (iii) a) The Company has granted unsecured loans to three parties covered in the register maintained under Section 301 of the Companies Act, 1956 on call basis. The maximum amount involved during the year was Rs. 8.00 lacs and the year end balance of the loans granted to such persons is Rs. 8.48 lacs.
  - b) In our opinion and according to information and explanation given to us, the rate of interest and other terms and conditions for such loans are not prima facie prejudicial to the interests of the company.
  - c) In respect of loans granted, repayment of the principal amount is as stipulated and payment of interest is also generally regular.
  - d) According to the information provided to us, the Company has taken reasonable steps for recovery of the said loans.
  - e) The Company has taken unsecured loans from three parties covered in the register maintained under Section 301 of the Companies Act, 1956 on call basis. The maximum amount involved during the year was Rs. 2.00 lacs and the year end balance of the loans granted to such persons is Nil.
  - f) In our opinion and according to information and explanation given to us, the rate of interest and other terms and conditions for such loans are not prima facie prejudicial to the interests of the company.
  - g) In respect of loans taken, payment of the principal amount is as stipulated and payment of interest is also generally regular.
- (iv) In our opinion and according to the information and explanation given to us, there is adequate internal control system commensurate with the size of the company and the nature of its business with regard to purchase of inventory, fixed assets and for the sale of goods and services. During the course of our audit, we have not observed any continuing failure to correct major weaknesses in internal control systems.
- (v) a) Based on the audit procedures performed by us, we are of the opinion that particulars of contracts or arrangements referred to in Section 301 of the Act have been entered in the register required to be maintained in that section.
  - b) The transactions made in pursuance of such contracts or arrangements have been made at prices which are reasonable having regard to the prevailing market prices at the relevant time

- (vi) The company has not accepted any public deposit.

In the opinion of the Board, all the assets other than fixed assets and non-current investments have a value on realisation in the ordinary course of business at least equal to the amount at which they are stated. The Provision of all known liabilities is adequate and not in excess of the amount reasonably necessary.

#### 3 Disclosure pursuant to Accounting Standard – 15 'Employee Benefits'

- Short Term Employee be benefits have been accounted for either as an expesses as charge to Profit & Loss
  Account or as a liability if unpaid.
- 2. Post empoyment Benefit :
- (a) Defiened Contributions Plans: The compnay has no liability towards any defined contributions plants.
- (b) Defined Benefit Plans: The Company accounts for expenditure on defined benefits plans on actual paymnet basis. It is the view of the management that, due to a small nuber of workers the liability of the Company under defined benefit plan (i.e. gratuity) is not material considering of the work force and its voulme of business. The company has no liability towads retirement benefits as on 31.03.2013

#### NOTE 1: Significant Accounting Policies

#### 2.1 Basis of accounting and preparation of financial statements

The financial statements are prepared and presented under the historical cost convention, on the accrual basis of accounting and in accordance with the provisions of the Companies Act, 1956 ('the Act'), and the accounting principles generally accepted in India and comply with the accounting standards prescribed in the Companies (Accounting Standards) Rules, 2006 issued by the Central Government, in consultation with the National Advisory Committee on Accounting Standards, to the extent applicable.

The Revised Schedule VI has become effective from 1 April, 2011 for the preparation of financial statements. This has significantly impacted the disclosure and presentation made in the financial statements. Previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosure.

These financial statements are presented in Indian rupees and rounded off to nearest thousands unless otherwise stated.

#### 2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

#### 2.3 Inventories

Inventories are valued at the lower of cost (on FIFO basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges.

#### 2.4 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value. Cash and cash equivalents includes fixed deposits which are freely remissible but excludes interest accrued on fixed deposits.

#### 2.5 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### 2.6 Depreciation and amortisation

Depreciation has been provided on the straight-line method as per the rates prescribed in Schedule XIV to the Companies Act, 1956. Depreciation on assets acquired/sold during the year is provided on prorata basis

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation method is revised to reflect the changed pattern.

#### 2.7 Revenue recognition

#### Sale of goods

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales exclude value added tax.

#### Income from services

Revenues from services rendered are recognised when services are rendered and when the revenue is measurable and there is no uncertainty as to ultimate collection

#### Other income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

#### 2.8 Fixed assets

#### Tangible assets

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Exchange differences arising on restatement / settlement of long-term foreign currency borrowings in any in near future relating to acquisition of depreciable fixed assets will be adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets in that respective financial year. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Fixed assets retired from active use and held for sale are stated at the lower of their net book value and net realisable value and are disclosed separately in the Balance Sheet.

#### Intangible assets

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase / completion is recognised as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of the asset.

#### 2.9 Foreign currency transactions and translations

Foreign currency transactions will be accounted at the exchange rates ruling on the date of the transactions. At the year end all monetary assets and liabilities denominated in foreign currency will be restated at the closing exchange rates.

Treatment of exchange differences arising out of actual payment / realisations and from the year end restatement referred to above will be adjused to profit and loss account, subject to transaction.

#### 2.10 Investments

Long-term investments (excluding investment properties), are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

#### 2.11 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

#### 2.12 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company. Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

#### 2.13 Impairment of assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

#### 2.14 Provision and Contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

# Cash flow statement for the year ended March 31, 2013
